

Client Advisory Services

Your success is our obsession.

Our Client Advisory Team is led by Industry Speaker and Thought-Leader Steve Ruf, “Dr. Steve”, who has 30+ years of deep client advisory experience in the HR and Payroll industry, 26 years at ADP as a Senior HCM Business Consultant, is a 7-Time President’s Club Winner for Client Advisory, and all around great guy.

A dedicated client advisory approach to tackling your biggest HR challenges

Deep consulting to optimize your business, payroll, and HR processes

A thorough assessment of your current state of operations

What this means for you

- ▶ Help you to maximize the application and service adoption and utilization
- ▶ Assist with your HR business processes and receive recommendations for potential improvement
- ▶ Keep you updated on any functionality that could save time and/or money
- ▶ Access your impact of organizational changes (New Senior leaders requiring new and varied information, training, and more)
- ▶ Strategic assistance during changing business environment (e.g. growth, acquisitions, and mergers)
- ▶ Provide ongoing guidance and tips and tricks to delight your people
- ▶ Direct connection to product development to ensure our application and services meet your needs now and in the future
