Proliant + **PLANSOURCE**® **Proliant Integrations**

Simplify your payroll and benefits processes with Proliant and Plansource Insurance at your side.

Share employee data and deductions in real-time so you never have to enter data into two separate systems while eliminating inaccuracy and duplications.

Automatically share the data that matters

Employee Records
Social Security Number, Payroll ID, Salary data, hours worked, and much more
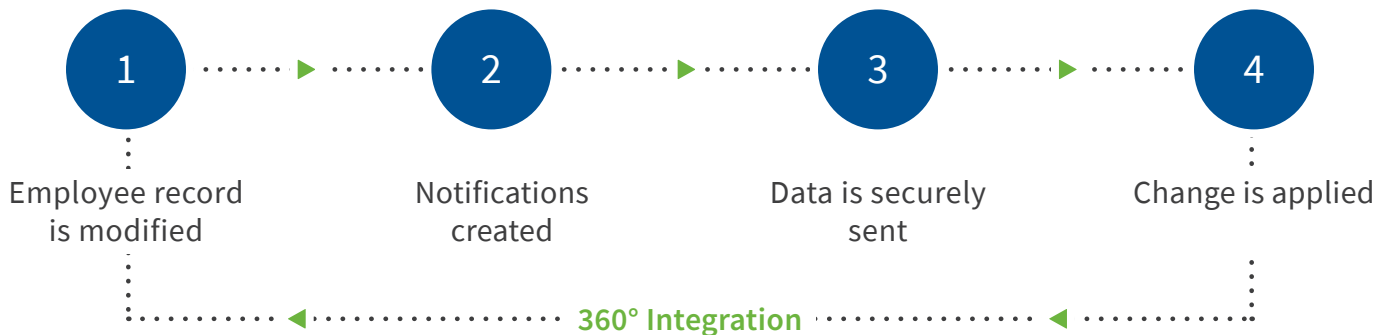

Demographics
Name, Address, Job Title, Email, and Gender

Deductions
Amount, Effective Date, Change Date, and End Date

How Proliant + Plansource Insurance work together

1
Employee record is modified

2
Notifications created

3
Data is securely sent

4
Change is applied

360° Integration

Proliant - A Perfect Balance of Technology & Services. Proliant's People Tools integrate seamlessly with a wide range of leading industry business systems and technologies so you can do more for your business.
